PRINCIPAL'S MESSAGE

Dear Students,
The advent of the new academic session has dawned! This is a time of new beginnings, fresh starts, and endless possibilities. With the new Academic session comes new challenges and opportunities of learning new things, exploring new ideas, and growing in ways you never thought possible. But this will only happen if you put in the effort and work hard. Take advantage of the resources available to you, whether that be your teachers, your classmates, or your own personal drive and determination.
As you work towards improving your academic performance, we encourage you to also focus on developing important life skills. Get involved in group projects, extracurricular activities, or volunteering opportunities where you can practice communication and teamwork. Take the lead and be a positive influence on others. Remember, success isn't just about good grades-it's also about being a well-rounded individual

who is prepared for the challenges and opportunities that life presents.
We are immensely proud to launch the **First Edition of the NLK'S AKHBAR**. The hard work and creativity of our students and staff have truly brought this magazine to life, and we are confident that it will continue to evolve and improve with each new issue.
We are eager to hear your thoughts and feedback on this issue, and we look forward to sharing more exciting activities and achievements from our school in the future.
Regards,
- Mrs. Fatima Dsilva, Principal

OUR HIGH-FLYERS CONGRATULATIONS ON WELL-DESERVED ACCOMPLISHMENT!

Your success is a shining example of what one can achieve with a clear vision, hard work, and relentless dedication. Congratulations on your outstanding success, and may you continue to strive for excellence and make the NLK Group of Schools proud!"

CLASSROOM AGREEMENT

"A shared commitment to respect, kindness and learning."

A classroom agreement is a powerful tool for building community and creating a sense of belonging. NLK's Wendy School ensures that the classroom agreements are regularly reviewed, revised, and upheld by everyone in the class. We aim to create a positive and productive learning environment.

Ground Rules For Class

- Be on time - when you reach school on time.
- Always come to school in proper school uniform.
- Do your work on time.
- Maintain silence and discipline in the class.
- Keep your class room clean.

UNLOCKING THE POWER OF ARTIFICIAL INTELLIGENCE

Artificial Intelligence (AI) is a powerful tool that can enhance students' learning and problem-solving abilities, allowing them to generate new and exciting ideas beyond their usual scope. However, excessive reliance on AI for creative work may hinder their ability to develop original ideas and think outside of the box.

To help students strike a balance, Grade VI to VIII students had an interactive discussion on how to use AI as a complementary tool to enhance their own creativity and critical thinking skills. The session focused on maximizing the benefits of AI while maintaining individual perspectives and voices.

- Ms. Farhat Qadir, Grade School Mentor

BEYOND BOOKS! UNLEASHING POTENTIAL!

The co-curricular activities offered at NLK's Wendy School reflect our commitment to providing a well-rounded education that prepares students for success in all aspects of life. We believe that education is about more than just academics, and we are proud to offer a diverse range of opportunities that enrich students' lives and contribute to their personal growth and development. Our co-

curricular activities cater to the different interests and talents of our preschool and grade school students, allowing them to explore their creativity and develop new skills.

- Ms. Alka Srivastava, Vice-Principal

HELP ANIMALS & BIRDS SURVIVE THE HEATWAVE

It is rightly said, 'The beauty of the natural world is enhanced by the presence of animals and birds, their songs and chirps fill the air with a symphony of sounds'. But these beautiful creatures face immense challenges in their quest to survive when the scorching heat of summer descends. It is our moral responsibility to ensure that they are safe and comfortable during these difficult times. By providing them with the simplest of necessities, such as water, shade, and food, we not only contribute to the health and well being of our planet, but also enrich our own lives with the knowledge that we have made a positive difference in the world.

HOUSE SCORE BOARD

Ganga House	Narmada House	Yamuna House	Brahmaputra House

- 8 Jade :** Shiza Fatima (Yamuna House), 3rd Position
- 7 Pearl :** Arjun Bash (Ganga House), Special prize

EARTH DAY

Live in each season as it passes; breathe the air, drink the drink, taste the fruit, and resign yourself to the influence of the Earth."

NLK's Wendy School celebrated Earth Day by organizing a tree plantation drive where both the staff and students participated in planting saplings. The event aimed to raise awareness about the importance of protecting the environment and preserving natural resources. During the event, everyone took a pledge to take responsibility for their actions and make conscious efforts towards protecting Mother Earth. This pledge included promises to reduce waste, conserve energy, and promote sustainability.

NLK's Wendy School hopes that this event will inspire others to take action towards creating a greener and more sustainable future for generations to come.

tGELF PROGRAM

The Global Education and Leadership Foundation (tGELF) @ NLK's Wendy School provides our students with the skills, knowledge, and resources they need to become effective leaders who can make a positive impact on their communities and beyond. We provide our students an opportunity to develop key leadership skills such as empathy, integrity, and social responsibility.

Our students will surely go on to become a compassionate, ethical, and effective leader who can create positive change in the world.

MOTHER'S DAY : CELEBRATING THE HEART OF THE FAMILY

Mother's Day was celebrated with great enthusiasm and love @ NLK's Wendy School to honor mothers and motherhood.

Mothers were the centre of attention at the event, dressed in their finest pink attire. Meanwhile, the NLK staff were clad in blue, created a charming and cohesive atmosphere, perfectly fitting for the occasion. Students expressed their gratitude and love towards their mothers, acknowledging their unconditional love and support throughout their lives.

The celebration came to an end with a group photograph with all the mothers and teachers capturing the beautiful memories of the day.

INTER HOUSE ENGLISH DEBATE COMPETITION

NLK's Wendy School is delighted to announce that we celebrated English Language Day with great enthusiasm by conducting an Inter House English Debate Competition. The event was a huge success, and we are proud of all the participants who showcased their exceptional communication and critical thinking skills.

We would like to extend our congratulations to the winners of the competition. It was a wonderful opportunity for students to develop their language skills and to learn from each other.

We @ NLK's Wendy School will continue to organize such events in the future to promote language learning and critical thinking among our students.

"Don't wait for the opportunity. Create it."
