CULTIVATING ENVIRONMENTAL STEWARDSHIP : A CALL TO ACTION FOR STUDENTS

Dear Parents, Teachers, and Students,

I am thrilled to share our journey towards sustainability and environmental consciousness at NLK Public School. Through concerted efforts and dedicated initiatives, we have taken significant strides in fostering a greener and cleaner future. Our journey began with educating students about the Earth's fragility, pollution, and the looming threat of global warming. We invited Ms. Sanjivini Sharma from Kanpur Ploggers to enlighten our students, sparking a commitment to action.

I'm proud to share that our students have pledged to reduce waste by collecting toffee wrappers, chips packets, and creating eco bricks. They have also taken on the responsibility of keeping our school premises clean through regular clean-up drives. In the pursuit of sustainable practices, our students have learned valuable skills like composting dry waste and organic matter. They have actively participated in clean drives, notably at Motijheel: Kargil Park, where we collaborated with Kanpur Ploggers to collect 100 kg of plastic waste.

To amplify our impact, we launched the ECO Savers plastic band, aiming to raise awareness and inspire change beyond our school walls. Furthermore, we have signed a Memorandum of Understanding (MOU) with Kanpur Ploggers and Young India, solidifying our commitment to learning and implementing sustainable practices.

- Ms. Pallavi Chandra, Principal

WELCOMING OUR SHINING STARS IN THE SESSION 2024-25

Warm welcome done by the teachers with bubble rod, selfie corner, attractive tattoo stool and with the guest appearance of Motu and Patlu.

परिवर्तन की पहल : प्राकृतिक संकल्प और समर्पण की शुरुआत

एक समय की बात है, एन.एल.के. पब्लिक स्कूल ने अपने छात्रों को पृथ्वी की समझ और प्रदूषण, ग्लोबल वार्मिंग की चिंता को समझाने का कार्य शुरू किया।

इस बीच, स्कूल ने मिसेज संजीविनी शर्मा को बुलाया, जो कानपुर प्लॉगर्स की टीम से हैं, छात्रों को संवेदनशील बनाने के लिए। छात्रों ने अपने टॉफी और चिप्स के रैपर्स से ईको ब्रिक्स बनाने का संकल्प लिया।

आगे बढ़ते हुए, छात्रों ने स्वच्छता के समर्पण का संकल्प लिया और स्कूल में स्वच्छता अभियान की शुरुआत करके आसपास की सफाई का प्रमाण दिया।

वे सूखे कचरे और सब्जियों के छिलकों की कम्पोस्टिंग सीखें।

कानपुर प्लॉगर्स के साथ सम्मिलित होकर मोतीझील में स्वच्छता अभियान में भाग लेते हुए समर्पण और संवेदनशीलता की मिसाल प्रस्तुत की और 100 किलो से ज्यादा प्लास्टिक एकत्रित किया।

इस सफलता की कहानी में, स्कूल ने ECO Savers प्लास्टिक बैंड का शुभारंभ करके समाज में जागरूकता लाने का प्रयास किया।

छात्रों ने पर्यावरण-संवाद एक दूसरे के सामने प्रस्तुत किए तथा पर्यावरणीय विषयों की खोज और स्थिरता को बढ़ावा देने के लिए समर्पित एक टॉक शो आयोजित किया।

कानपुर प्लॉगर्स और यंग इंडिया के साथ साइन किया MOU ताकि स्थायी प्रथाओं की शिक्षा के लिए सहयोग कर सकें। इस तरह स्कूल ने sustainable अभियान में अपनी अहम भूमिका निभाई।

SPLISH, SPLASH, BASH

Soaking in the sun at the pool is all kinds of fun, Well it was a wonderful day for our Nursery kiddos and everybody in the pool were enjoying with lots of fun, games and photos.

LOVE ON THE MENU: A MOTHER'S DAY CELEBRATION

At NLK Public School, Mother's Day was not just a day but an occasion filled with love, laughter, and delightful surprises. From the tiniest preschoolers to the confident fifth graders, every student eagerly awaited this special day to celebrate the most important person in their lives-their mothers.

The day kicked off with an aroma that could only mean one thing-a Non-Fire Cooking Competition! Little chefs from preschool to grade 2, alongside their mothers, gathered in the school's kitchen. With colorful aprons and beaming smiles, they whipped up magic without fire. From fruity delights to yummy sandwiches, every dish was a masterpiece of love and creativity. Judges were left amazed, and the winners were rewarded with exciting gifts, adding an extra sparkle to their already bright day.

Meanwhile, in another part of the school, the older students in grades 4 and 5 were preparing for a different kind of celebration. Armed with questions and hearts full of love, they transformed into interviewers for a special segment-Interviewing Our Moms. Mothers arrived at the school, greeted with love-filled posters and heartfelt messages. In cozy setups, students and mothers shared stories, dreams, and laughter. Tears of joy were shed, and hugs were exchanged as students showered their mothers with words of love and appreciation.

The school buzzed with warmth and happiness, echoing the sentiment that every day should be Mother's Day. NLK Public School celebrated not just the mothers but the beautiful bond they share with their children-a bond nurtured with love, care, and endless memories.

OUR AESTHETIC MASTERPIECE

NLK GROUP OF SCHOOLS

पर्यावरण संरक्षण के इसी मुहिम में बच्चों ने अनगिनत प्रयास किए जहां उन्होंने अपने घरों से प्लास्टिक बॉटल्स के ढक्कनों को एकत्रित कर एक सुंदर पोर्ट्रे तैयार कर रहे हैं।
