PRINCIPAL'S MESSAGE

We are excited to present the first edition of our newsletter, dedicated to promoting sustainability. We firmly believe in the importance of environmental responsibility and sustainability, and we have been at the forefront towards a greener and more sustainable future.

Living sustainably is a necessity for our planet's well-being. Our actions today will shape the world we leave behind for future generations. A few key areas where we can make a difference and embrace sustainable living.

1. Reduce, Reuse, Recycle : Reducing our consumption, reusing items whenever possible, and recycling materials are effective ways to minimize our environmental footprint.

2. Energy Efficiency : Embrace energy-efficient practices by using LED light bulbs, turning off lights and electronics when not in use, and upgrading to energy-efficient appliances and also utilizing renewable energy sources such as solar panels to power your home or workplace.

3. Sustainable Transportation : Transportation is a major contributor to air pollution and carbon emissions. Opt for public transportation, carpooling, whenever possible.

4. Community Engagement : Engage with your local community and become an advocate for sustainability. Join or organize clean-up drives, tree-planting initiatives, or educational programs that promote awareness about environmental issues.

This newsletter is one such initiative to expand our sustainability initiatives, inspire innovation, and cultivate a culture of taking care of environmental that will benefit current and future generations.

Looking ahead, we are excited to continue building upon the foundation towards a greener future.

By working together, we can create a lasting impact on our surroundings. Together, we can make a difference!

- Ms. Archana Tandon, Principal

THE EARTH'S PLEA

I'm the Earth, held in your hands,
Help me reclaim my beautiful lands.
Please think and listen to my cries,
How I suffer when you cut down the trees.
I am your home today and beyond,
Why do you harm me and cast me aside?
Where will you live, I truly wonder,
It's your duty to shield my green cover.
Remember the fee you must pay,
By planting trees, keep destruction at bay.
I'll release pure air, a gift so sweet,
To ease your burdens and keep life complete.
- Kunal Rajpoot, 6 Moon

WELCOME LITTLE ONES

Welcome back, little adventurers! We were thrilled to see those rosy cheeks and hear those giggles and crying echoing through our hall. Today was a day for soaring high and sliding fast, wasn't it? Swinging up to touch the sky and whooshing down the slides like shooting stars. Their laughters painted the air with joy, and smiles lit up the entire hall.

Thank you for filling our day with your boundless energy & endless enthusiasm. Can't wait to see what adventures tomorrow holds for us!"

HELPER'S DAY

Labour Day celebrates the contributions of workers worldwide. Our helpers were honoured for their hard work and dedication. From teachers shaping young minds to janitors keeping our schools clean, every role is vital. Let's reflect on the value of labour and the importance of fair treatment for all workers."

Summer Adventures : Unleash Your Superpowers!

Dear Students,
Are you ready for a summer adventure like no other? Picture this: discovering your superpowers right at home! This summer, let's transform weaknesses into strengths and unlock your full potential.

Just imagine – with a bit of practice each day, you could become a lightning-fast reader, a math whiz mastering times tables, a handwriting hero, and a grammar guru! And remember, hobbies like drawing diagrams aren't just fun – they're super helpful too!

Now is the perfect time to work on yourself. Spend a little time every day practicing and improving. You'll be amazed at what you can achieve by the time school starts again in July. Get ready to dazzle everyone with your newfound superpowers!

- **Sadhna Ahuja**, Senior Co-ordinator

PARENTS ORIENTATION

"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."

— Jane D. Hull

Keeping in mind that education is a joint venture between the school and the parents, a parents orientation programme was held at our branch.

The Principal, Vice Principal and teachers gave a heartfelt welcome to the parents. The teachers oriented on various teaching learning materials used. Also a peep into the activities conducted was given.

The parents were happy to attend the orientation and get acquainted with the learning of their wards at the school.

MOTHER'S DAY

"Mothers are like sunshine on a rainy day, always there to brighten our lives with love and warmth. They are our first teachers, our constant supporters, and our friends forever. Their hugs are the best medicine, and their smiles light up our world.

माँ की ममता

माँ की ममता का कोई मोल नहीं,
प्यार से भर देती है जीवन का सूनापन।
उनकी गोद में मिलता सुकून अनमोल,
हर दुःख-दर्द का मिलता है तोल।
माँ की आवाज में है जादू की धुन,
उनकी मुस्कान से चमकता है चाँद और सूरज भी घुल।
सीखा है उनसे जीवन का पाठ,
संस्कारों की दी उन्होंने सौगात।
माँ के बिना सूना है संसार,
उनकी याद में बहता है प्यार।
माँ की गोद में मिलता है सुरक्षा का ठिकाना,
उनके साथ जीवन हर दिन है सुहाना।
आओ करें हम माँ का सम्मान,
उनकी ममता को दें हम हमेशा स्थान।

EARTH DAY

Calling all eco-warriors in training! At NLK's Little Steps, we're on a mission to make our planet a happier, healthier place for all creatures big and small. Join our green team as we roll up our sleeves and dig into the earth, planting trees of hope and joy. Let's paint the world with the colors of sustainability and make every day Earth Day!

WELCOME PARTY

At our preschool, every occasion is a canvas for creativity and a celebration of childhood exuberance. Our Colours of Joy - welcome party was no exception, as we adorned the venue with the vibrant hues of Colours & Joy. As our little ones mingled and explored, they were treated to an array of activities & games designed to ignite their imaginations and spark their sense of wonder. Our tiny tots were welcomed with open arms into a world where joy knows no bounds and imagination knows no limits and as they waved goodbye, their hearts full and their smiles wide, we knew that this was only the beginning of a journey filled with laughter, learning, and love.
